HOME FORWARD'S FOUNDER ELECTED TREASURER OF ROSEMONT COMMUNITY ASSOCIATION

Home Forward Real Estate proud announces that founder and owner Jesus C. Mendoza has been elected to the Board of Directors for the Rosemont Community Association (RCA) and will serve as an Officer of RCA in the role of Treasurer. Jesus has been a member of RCA since July 2013 and a resident of Rosemont since 1999.

The Rosemont Community Association was incorporated on July 15, 1959 to serve as the community's advocate on local and county issues and to sponsor community events and programs. It is governed by a Board of Directors that plans and manages a wide range of programs to enhance the safety, attractiveness and economic vitality of the Rosemont community.

At the annual membership meeting Jesus stood for election before the Board of Directors and RCA members to fill the role as a new board member and treasurer. Mendoza is excited to serve his community association and had this to say: "I have not served as an organization's treasurer since college, but I am eager to use my finance background and business experience to help my community association as best I can." Mendoza also accepted responsibilities for maintenance and administration of membership records.

About Home Forward Real Estate: Home Forward is a boutique residential real estate company passionate about two things: Real Estate and Giving Back. From the commission earned, to employees' time and talent, Home Forward believes in a different approach to real estate and aspires to change what it means to be a real estate agent.
