HOME FORWARD FOUNDER LUCAS PERRETTI NOMINATED FOR 'N FACTOR AWARD'

Home Forward Real Estate announces that founder and owner Lucas Perretti has been nominated to receive a service award at this year's '*N Factor Community Awards Ceremony*'. Perretti was nominated in the category of "*Distinguished Community Service*".

The *N Factor Community Awards Ceremony* was created to acknowledge and recognize the efforts of valued residents and businesses in Natomas who make a difference by getting involved, caring about their community and giving it their all. Nominees are selected based on the idea that they have that "special something" that really makes Natomas a great place to live and work.

Perretti worked in Natomas as a Senior Associate with Economic & Planning Systems, Inc. for nine years before leaving to launch Home Forward Real Estate in September 2013. He became a Natomas homeowner in 2011. His community involvement in the Natomas community includes volunteer umpire, Umpire in Chief, and Board Member for North Natomas Little League; and Finance Committee Member for the Natomas Park Master Association. His extensive commitment to community involvement includes Board Chair for Connections for Youth, Inc, and Committee Members for several other organizations..

This is the Perretti's first nomination for such a community award. "I was surprised to be nominated," he said "I am proud to be selected among such wonderful and giving individuals here in Natomas. It is these people that really add character and strength to the community."

The reception and ceremony will be held on Sunday, March 30th from 6:00 to 8:00 PM at the Benvenuti Arts Center located at 600 Blackrock Drive.

About Home Forward Real Estate: Home Forward is a boutique residential real estate company passionate about two things: Real Estate and Giving Back. From the commission earned, to employees' time and talent, Home Forward believes in a different approach to real estate and aspires to change what it means to be a real estate agent.
